

wonderland records presents

One new act, one new release and five catalans.

There are 5 electronic pop fans in the Swedish indie pop act I'm From Barcelona!

When these 5 want to feel a bit more 80-ies glamorous they suit up and change into

MONOSTRIP

Mattias Johansson, Daniel Lindlöf, Martin Alfredsson, Christofer Olofsson and Rikard Ljung offers the world high class electronic pop in the likes of New Order, Hot Chip and Cut Copy.

On the 4th of March they will release their debut single "Like A Drug" on Swedish label Wonderland Records. The debut album is planned for release in the spring.

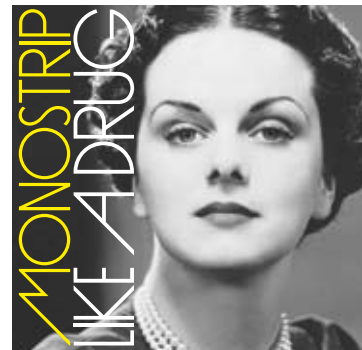

You can listen to and download the single for free here:
